Call for Papers

Those who wish to present papers or posters are invited to submit the extended abstract of not exceeding 2 pages (A4) including text, tables, figures and references and not later than 31 December 2009. Notification of acceptance will be sent to authors by 15 January 2010. All abstracts should be submitted only at www.mtec.or.th/ise2010.

Plenary Speaker

Professor Toshio Nishi (Tohoku Univ., Japan)
Topic: Rubber Nanotechnology for the Future High Performance Materials

Invited Speakers

1. Professor J.F.Pilard (Univ.of Maine, France)
   Topic: To be announced

2. Dr. Seiichi Kawahara (Nagaoka Univ. of Tech., Japan)
   Topic: Structure and Mechanical Properties of Natural Rubber

3. Dr. Amir Hashim M.D. Yatim (Malaysian Rubber Board, Malaysia)
   Topic: Role of Filler in Natural Rubber Latex Glove

4. Professor A.K.Bhowmick (IIT,Kharagpur,India)
   Topic: Rubber Nanocomposites: Some Recent Examples

5. Professor R.H. Schuster (DIK, Germany)
   Topic: To be announced

6. Professor Shinyoung Kaang (Chonnam National Univ., Korea)
   Topic: Abrasion and Fatigue Behavior of Rubbery Material Reinforced with Nano-Structured Fillers

7. Professor Cristina Furtado (UERJ, Brazil)
   Topic: Natural Rubber in Brazil: Past, Present and Future

Topics

» Functional Rubbers
» Green Rubber Technology
» Engineering Properties of Elastomers
» Natural Rubber Science and Technology
» Latex Science and Technology
» Rubber Nanotechnology
» Rubber Processing, Blends and Composites

International Advisory Committee

» Anil K. Bhowmik (Indian Inst. Tech., India)
» Laurent Fontaine (Univ.of Maine, France)
» Cristina Furtado (UERJ, Brazil)
» Avraam I. Isayev (Univ. of Akron, USA)
» C.C.Ho (Malaysia)
» Shinyoung Kaang (Chonnam Univ., Korea)
» Jean Leopold Leblanc (Univ. of M. Curie, France)
» Phan Trung Nghia (Hanoi Univ. of Tech., Vietnam)
» Toshio Nishi (Tohoku Univ., Japan)
» Robert H. Schuster (DIK, Germany)
» Masao Sumita (Tokyo Inst. of Tech., Japan)
» Amir Hashim MD.Yatim (Malaysian Rubber Board, Malaysia)
